

BUBBLES, BASICS, AND BEYOND SPECIALTY CAMP AT PARK MAITLAND SCHOOL

Swim Camp

One of the many unique qualities of Park Maitland School is the opportunity for all children to swim once a week throughout the school year. Swimming is an original part of the school curriculum in grades K4-4th.

Students learn to become “Safe Swimmers”, to swim better, and to swim faster! In some cases, swimming class can be a bit intimidating to our younger students who are not quite comfortable in the water. We are looking to be proactive and allow your child to come to school for swimming lessons prior to the start of the 2019-2020 school year. The students will use the same pool, bathing suits, and locker rooms as if it were a typical school day. Our goal is to get the children acclimated with the pool area and feel confident in their swimming skills.

Campers will change in the locker room, swim for 30 minutes, play outside and have a small snack, swim for 30 more minutes, and then change back into our clothes.

Who: Rising K4 - 4th Grade Students

When: July 15th - 19th

Time: Half Day Camp 1:00 - 3:00

Price: \$250/week

Teacher: Coach Meisel
