

This year's Summer Camp LIT program offers an exciting opportunity for former Park Maitland students entering grades 7 and beyond. Park Maitland's new summer program is designed to teach students valuable skills such as classroom management, organization, and leadership styles.

LIT students will be trained in first aid and CPR and will learn executive presence skills for leadership. They will also get the opportunity to work with students and guide the fun learning experiences developed within the camp as mentors. These experiences will assist students in preparation for their future in the job market as leaders with executive presence and as possible camp counselors once they turn 18.

Each LIT student will be paired with a core group to synergize with our counselors and provide a fun, exciting, and safe environment for activities and growth.

LIT students will learn valuable job skills, practice responsibility, and utilize technology.

Problem-solving, kindness, critical-thinking, and patience are a must for our Leaders in Training. Do you think you have what it takes? Do you want to learn and grow as a leader? Then fill out an application and sign up soon. There are only a few spots available for each week of Summer Camp at Park Maitland.

Requirements:

1. The cost for the LIT program is \$150.00 per week
2. Fill out an application form
3. Keep track of hours to get credit
4. LIT hours are 8:00am-4:00pm

What do LIT students get?:

1. A staff LIT counselor shirt
2. CPR and first aid certification training
3. Leadership mentoring program each morning of camp
4. Debriefing leadership discussion sessions Monday, Wednesday, and Friday each week
5. Ability to use hours worked toward volunteer hour requirements
6. Executive Presence book
