RIISING 6TH GRADE STUDENTS

Social Studies Supplies Needed:

- 200 count package of notebook paper (not college ruled)
- Red grading pens
- Dark blue and black erasable pens

Technology - iPads

All students are **required** to have an iPad 4th Generation or higher with at least 32GB (no Mini iPads!). We strongly recommend the iPad 4th Generation or higher because of:

- Coding capability
- Higher retinal display
- Faster processing time
- Ease of web browsing

We **require** a protective case for each iPad. The cases we highly recommend are New Trent, Otterbox, Zaggfolio, and Griffin Survivor. Please make sure your child has a Bluetooth keyboard to connect to their iPad, too (if it is not included with the protective case).

***Backpacks are optional. If your child does decide to use a backpack, please remember it must fit easily inside the lockers.*
