

# EAGLE ATHLETICS

Students in grades K4-6 have an opportunity to play on our interscholastic sports teams. The athletic department offers programs that foster the same integrity, respect, responsibility, leadership, and excellence that are embodied in the classroom.

Athletic participation plays an important part in helping the individual student develop a healthy self-image as well as a healthy body. Participation on an interscholastic team adds to our school spirit and helps all students, spectators, and participants, develop pride in our school.

The established leagues for Park Maitland athletics are comprised of many local public and independent schools. Our program offers 5 different sports.

Students who are interested in participating must provide proper registration information, health exam forms, and meet academic and behavioral expectations set forth in the Eagle Athletics Handbook.

## Soccer

**\*\*Please note – our soccer teams will be playing through First Touch Sports. In order to ensure that your child is placed on one of the teams through Park Maitland and receives a Park Maitland uniform jersey, please make sure you register through the link that we will send out. If you register directly through First Touch, you may be placed on a different team and you will receive a First Touch jersey and not a Park Maitland one.**
