

VISUAL KIDS

SPECIALTY CAMP

AT PARK MAITLAND SCHOOL

Photography Girls Camp

Visual kids is a photography girls camp. The camp will focus on imagination, creativity, and exploration through the lens of a camera.

Visual Kids is centered around 21st Century learning and inspiring girls everyday that "You can be anything". Campers will be exploring a variety of careers through Fashion Doll Barbie. This is not the Barbie from yesterday...Barbie is a working professional who demonstrates how young girls can grow into successful women in any career. Photography, Photojournalism, National Geographic Explorer, Astro physics and Entomology... just to name a few! As Barbie travels through life, she helps us understand the real world in an exciting new way

Camera and Film provided.
