

# COUNSELORS IN TRAINING

## PARK MAITLAND SCHOOL

### CIT Program

Park Maitland's Summer Camp Counselor in Training (CIT) program offers an exciting opportunity for former PM students entering grades 7 and beyond! The CIT program trains teens to become future counselors, leaders, and mentors and teaches students valuable skills such as classroom management, organization, leadership skills, work ethic, decision-making skills, and teamwork. CIT participants also learn the value of being a positive role model and mentor for the younger campers!

Each CIT will be working one on one with a Summer Camp instructor while working with campers and guiding them through fun learning experiences. CIT's will be given a variety of daily responsibilities and will take on leadership roles within the camp. CIT's should keep track of their hours and the Summer Camp directors will sign and verify their time for Community Service requirements.

#### Requirements:

- **Former PM student**
- **Rising 7th grade student or older**
- **Skills: problem-solving, critical- thinking, kindness, and patience**

**When: June 1st - July 24th**

**Time: 8:00 - 4:00**

**Price: \$150/week**
